**Project Description:** *National Recovery Month (Recovery Month)* is a national observance held every September to educate Americans that substance use treatment and mental health services can enable those with a mental and/or substance use disorder to live a healthy and rewarding life. The observance reinforces the positive message that behavioral health is essential to overall health, prevention works, treatment is effective, and people can and do recover. Visit [www.recoverymonth.gov](http://www.recoverymonth.gov) for more information.
