Join us to celebrate with a free BBQ, music, awards, games & activities for kids!

In partnership with the Malheur County Drug Free Communities Coalition and Lifeways, Hands Around the Park for Recovery honors the hard work of people in recovery, the dedication of all who support them and the care of the community. With motivational speakers, music, BBQ, awards and activities for children, this free, family friendly, local event is a celebration of prevention, treatment and recovery efforts and the people who are committed to the health of our community.
