

Georgia Network:

Georgia Network Workshop September 18, 2015 from 10am-2pm Kennesaw State University

Agenda

Location TBD

10:00 a.m. – 11:30 a.m.

Establishing a Retention Progression and Graduation Coaching Program

Establishing a retention progression and graduation coaching program for students in recovery from addiction and recovery support in a collegiate environment. This workshop is designed to educate and support administrators and professionals serving the collegiate population, addresses addiction and recovery support services. Participants will apply retention progression and graduation coaching in a recovery model, understand core competencies, and demonstrate an understanding of common self-defeating beliefs and techniques to intervene.

Teresa Wren Johnston, M.A., LPC
Founding Director Kennesaw State University
Center for Young Adult Addiction and Recovery

11:30 a.m. – 12:30 p.m.

Lunch provided

12:30 p.m. – 2:00 p.m.

Recovery Support in a Collegiate Environment: Cognitive Behavioral Therapy in the Substance Use and Recovery Field

Participants will discussed Advanced Empathy Techniques, list and understand underlying barriers to change and explore methods to overcome resistance to these barriers. There will be case studies and demonstrations.
