

As a private not-for-profit foundation we rely heavily on the support of the community we serve. Any proceeds raised from this event are vital for the continuation of Villa Veritas as a resource in providing substance abuse treatment. Addiction can have an effect on anyone, any family, at any time. Please help us continue the availability of treatment for those in need.

### **THANK YOU!!!**

Thank you to our County Executive for supporting Recovery Month and acknowledging the impact of addiction on the community.

We would like to thank in advance the New York State Office of Parks, Recreation, and Historic Preservation for their cooperation and support of this event.

Thank you to all our supporters.

## **CELEBRATE RECOVERY**

September is National Recovery Month . Villa Veritas Foundation is sponsoring the Walk The Walk For Recovery. We hope to increase awareness and understanding of substance abuse disorders, and to reduce the social stigma that so often is associated with addiction. Recovery Month promotes the positive message that prevention works, treatment is effective, and people recover. We know people can recover from substance abuse addiction. Help us celebrate by gathering: individuals, families, and agencies to celebrate that help is available; and people can have happy, fun, productive lives in recovery.
